SONPAL PRAJAPTI

Address: Atariya , Jalaun, UP   Phone: 8957466730   Email: sonpalp345@gmail.com

Summary

Driven by a strong passion for frontend development, I've invested significant time and effort in personal projects to compensate for my lack of formal experience. These endeavors reflect my determination to learn and contribute effectively in a professional frontend role.

Projects

1. Ecommerce Website   [Try it Now]

- Secure user login and registration processes, implementing JWT tokens to ensure data integrity and privacy.
- Integrated the Fake Store API to access sample product data, enabling the product listings, cart functionalities, within the ecommerce project.

2. Ticket System App   [Try it Now]

- Backend Api and Database Integration for AuthN, AuthZ and supporting App functionality.
- Three user roles: Customer (reporting and tracking bugs). Engineers (updating bugs status) and Admin (system oversight) .

3. Tasty Cloud Restaurant App   [Try It Now]

- Backend Api and Database Integration for Authentication and supporting App functionality.
- Add to cart functionality , Integration Stripe Payment , checkout page and admin page .
